

# KILOHANA ACTORS

## Art League Members Who Will Give Comedies.

### PROGRAM FOR SATURDAY NIGHT

Casts of the Two Plays—Synopsis of Each—Music By Amateur Orchestra—Clever Lines.

Society will be out tomorrow evening for the event at the opera house. Two plays will be presented. The casts are from the membership of the dramatic circle of the Kilohana Art League. A pair of clever comedies will be given. Rehearsals have been in progress several weeks and smooth performances are assured.

Music will be furnished by the Y. M. C. A. amateur orchestra under the leadership of Wray Taylor. Following is the program, with about every detail that can be given at this time:

Overture.....Orchestra  
"BY WAY OF A JOKE."  
(Comedy in one act).

CAST OF CHARACTERS:  
Mr. Bertram.....Mr. A. Adams  
Jack Dunstan (just from India).....  
.....Mr. A. St. M. Mackintosh  
Reginald Vivian (his friend).....  
.....Major G. C. Potter  
Dora Bertram (Mr. Bertram's daughter).....Miss A. Widdifield  
Sylvia Harford (Mr. Bertram's niece and ward and heiress).....Miss E. Kelley  
Mary (parlor maid).....Miss P. Judd

The play opens in the library of Mr. Bertram's country house, he having just returned with his daughter and niece from town.

The two girls are very much bored with the dullness of the country life, so welcome with keen pleasure the arrival of two young gentlemen. One, the son of an old friend of Mr. Bertram's, John Dunstan, and with him his friend Reginald Vivian. The former has money while the latter is in a chronic state of impecuniosity.

It is the desire of the two fathers that John Dunstan and Dora Bertram should marry one another. It is with this object in view that the young man is coming, bringing with him his friend Reginald Vivian. The two young men change names as do the young ladies. This naturally leads to complications. The mischievous character of Sylvia is thus brought out very clearly while the gentler one of Dora acts as an excellent foil. Mary, the old and trusted servant of the family acts the part of the faithful aide to the girls.

Overture.....Orchestra  
"THE FALSE NOTE."  
(Comedy in one act).

CAST OF CHARACTERS:  
Major Judkins.....Mr. C. M. V. Forster  
Granville Crawley (an artist).....  
.....Major G. C. Potter  
Percy Fenn (a young man of musical proclivities).....Mr. A. Adams  
Miss Judkins (the major's sister, age 45).....Miss E. Kelley  
Miss Elizabeth Partridge (age 40).....  
.....Mrs. R. D. Walbridge  
Alice Carey (widow, age 22).....  
.....Mrs. E. D. Tenney  
Lucy (Miss Judkins' maid).....Miss J. King

The curtain rises on the drawing room of Major Judkins house where he and his sister are discussing the arrival in town of an old artist friend, Mr. Granville Crawley. This latter individual is asked to make them an indefinite visit. The note written by the major is by mistake put into the wrong envelope; one addressed by Percy Fenn, the nephew of the family and a musical enthusiast, to Mrs. Carey.

Mrs. Carey has just returned to town after an absence of a few years; her husband having died.  
Miss Partridge, not so young as she used to be, is an old friend of Miss Judkins' and is also very much in love with the major, who returns the tender feeling. Mrs. Carey's receipt of the note, her immediate acceptance of the invitation and her arrival in the house cause great commotion, and the poor old major much unhappiness.

Mr. Crawley in the meantime has again met Mrs. Carey, offered himself and been accepted to the great dismay of Mr. Fenn who has fallen desperately in love with the pretty little widow. Miss Judkins has to relinquish the faint hope that she might one day be Mrs. Crawley.

Harmony is once more restored out of the discord and peace prevails.  
Overture—Orchestra.

\*Between the two plays there will be an intermission of 10 minutes, with an overture by the orchestra. The plays will not be repeated.

### GLEE CLUB AGAIN.

#### Hawaiian Boys Will Give Another Show.

The very creditable specialty performance which the Hawaiian glee club gave at the opera house to a rather small audience on last Saturday evening, is to be repeated next Monday evening, with several changes and new features. The date is the 21st, the eve of Washington's birthday. The program will include comic songs, vocal and instrumental solos, trios and choruses by the Kawahau club and tableaux. The evening will be considerably enlivened by the presence and assistance of the club's new musical organization of monster propor-

tions, called "Professor von Berger-son's Zobo Band."  
For one thing the boys made a strong bid for American patronage. They promise some surprises during the rendition of the patriotic medley "American Airs." There will be again given, for the benefit of both the Hawaiians and foreigners "The Evolution of Hawaiian Music," arranged by Coelho. This took the house by storm last Saturday night and will be better still. There will be once more the Kamehameha tableau and the pahu, ipu hula and ululi.

The money which it is hoped to make by this repetition is very much needed by the boys. Several of them must have clothing and there were some expenses attached to the first show which have not yet been entirely defrayed. The boys earnestly request the patronage of all friends.

The box plan for the second show will be open at Wall, Nichols Co., at 10 a. m. today.

### Notice to Ship Captains.

#### U. S. Branch Hydrographic Office, San Francisco, Cal.

By communicating with the Branch Hydrographic Office in San Francisco, captains of vessels who will co-operate with the Hydrographic Office by recording the meteorological observations suggested by the office, can have forwarded to them at any desired port, and free of expense, the monthly pilot charts of the North Pacific Ocean and the latest information regarding the dangers to navigation in the waters which they frequent.

Mariners are requested to report to the office dangers discovered, or any other information which can be utilized for correcting charts or sailing directions, or in the publication of the pilot charts of the North Pacific.

W. S. HUGHES,  
Lieutenant, United States Navy.

### Baffling Winds.

The American brig W. G. Irwin, Williams master, arrived in port early yesterday afternoon, 22 days from San Francisco with a cargo of 331 tons of general merchandise for W. G. Irwin & Co. and a nanny goat and kid for the Catholic Mission. A most unpleasant voyage was experienced by the Irwin. During the whole 22 days, she had nothing but baffling winds, causing the sails to flap about so that they will have to be repaired before the ship leaves again.

### Leak Located.

Several days ago the S. P. Hitchcock, now in the stream, was discovered to be leaking. A thorough search was made, but the leak could not be located. Yesterday brought more success and the exact position of the leak was located on the starboard side and about two feet below the water line. What will be done has not been decided yet.

### WHARF AND WAVE.

Warrimoo from Vancouver and Victoria today.

The Rio de Janeiro may get in from San Francisco this evening.

The Baltimore and Bennington boats were out for drill yesterday.

The brig John D. Spreckels arrived in San Francisco, February 6th.

The schooner Albert Meyer sailed from Port Gamble for this port, February 5.

The bark Charles B. Kenney was to have sailed from Guayaquil for Hilo, February 5.

The Ke Au Hou brought 18 bags of Hamakua coffee for H. Hackfeld & Co. The quality is very fine.

The bark Albert and barkentine Archer sailed from San Francisco for this port, February 6th.

Schooner Kauikaeouli from Hamakua yesterday brought 2,200 bags of sugar for T. H. Davies & Co.

The barkentine Jane L. Stanford sailed from Newcastle with a load of coal for this place, February 3d.

When the Maui left San Francisco, the Transit, Irmgard and Alden Besse were all on the boards for this port. They had not yet begun to load.

The Ke Au Hou which came in from Honolulu yesterday reports sighting the C. D. Bryant 15 miles south of Koko Head at about 10 a. m. She was in a dead calm.

The sailors of the Arago are busy cleaning up the wreckage on that vessel. Captain Greenleaf informed his ship's owners of his recent disaster by the City of Peking yesterday.

The C. D. Bryant which sailed for San Francisco yesterday, took the following cargo: 26,530 bags sugar weighing 3,210 pounds, valued at \$120,352 and shipped by H. Hackfeld & Co. and M. S. Grinbaum & Co.

The Fort George, Morse master, sailed in ballast for Royal Roads late

yesterday afternoon. She was towed to sea by the Iwalani. As she passed out of the harbor, first mate Wilson, formerly Captain of the Kaena, stood on the fore-castle and waved good-bye to the Inter-Island boys.

Although repairs on the little steamer Kaena have been completed she will not be able to put to sea until Saturday. The tug boat went on the marine railway after the Kaena had been put there and now the latter is blocked and unable to get out; hence the delay in her sailing time.

The James Makee arrived in port from Kapaa yesterday morning. Before sailing for Honolulu she called at Nawiliwili for G. N. Wilcox. The James Makee brought the following report of sugar on Kauai: Kilauea, 5,700; Kapaa, 6,900; Hanamanu, 3,000; Lihue, 2,400; Kekaha, 6,000; at the mills, 7,000. Total, 32,160.

### SPECIAL STAMP ISSUE.

#### U. S. Government to Recognize Omaha Exposition.

For the third time in the history of the nation, says an exchange, in recognition of the importance of a brilliant enterprise Postmaster General Gary has decided to order a series of special postage stamps, commemorative of the holding of the Trans-Mississippi and International Exposition at Omaha in 1898. The stamps will be issued in denominations of 1-cent, 2-cent, 5-cent, 10-cent and \$1, making it possible for the public to use these stamps on all outgoing foreign as well as domestic mail matter and packets of merchandise. In the United States there are 70,000 post offices, so that the widespread circulation of these special stamps, suggestive of the Trans-Mississippi and International Exposition, will be readily attained. The issue lends the exposition the prestige of Government recognition and support.

In issuing these special stamps it is not designed by the Postmaster General to withdraw from sale the current series as was the case during the World's Fair.

The new issue of special stamps will be of marked artistic order in design, symbolical of the great Trans-Mississippi region and its tributaries. The designs contemplate portraits of distinguished persons identified with the country, appropriate historical events as illustrated by existing paintings or engravings.

The stamps will be different in color from the regular series. In shape they will resemble the Columbian stamp issued in commemoration of the World's Fair. The new ones will be twice the size of the present postage stamp.

The Washington Philatelic Society has entered a protest at the Post Office Department against the proposed issue. They contend that it is undignified inasmuch as the only other expositions thus honored were those of 1876 and 1892, and the national significance of the Omaha Exposition cannot compare with that of the two great expositions. The society argues that the proposition savors too much of the custom of insignificant countries of issuing special stamps commemorative of every minor event.

### A WIDOW COMPLAINS.

#### Objects to Losing Pension Because of "Red Heded Postmistress."

In addition to the regular correspondence pertaining to their official positions, Cabinet officers at Washington are repository bureaus of complaints in general. The following letter was recently addressed to Secretary Bliss of the Interior:

"Saltillo, Ark.

"Sectery Bliss,  
"I want to tel you how old sojers widows are treted by our Red heded postmistris she are only fourth class and keeps astors reding all the postal cards and letters too, wich we cant not get our papers tel she have the same red herself. She reports to Com. Pennins that my husben died of devilmint which are a dam lie he die of the army an he war plousier than our dum Red heded postmistris &c.

"JANE J. STARBUCK."

### DOWN IN THE DEEP.

New Ideas says that submarine photography is helping to fathom the black secrets of the ocean, and in both the United States and in France is recorded as being a complete success. It is announced that the government divers will soon employ this method to detect leaks and damages in naval vessels and in dry docks. It will doubtless prove a valuable aid to diving work of all kinds. Louis Bouton, an eminent French scientist, has been successful in this study, and has made a number of submarine photographs. Mr. Bouton's method is to explode magnesium powderhermetically sealed in a glass cage having a strong reflection to throw the light forward, making a flash of light that illuminates the groves of seaweed for a distance of 40 feet. He snaps his camera, and the picture is taken. He has made his experiments in the Mediterranean, the water there being a beautiful light blue. Arrayed in a diver's armor, he descended to a depth of 75 feet. In the fascinating pursuit of lost treasures old ocean will not remain a closed book to venturesome humanity, as the achievements in this direction have already proven.
